ABDUL HANNAN AHMED

WEB DEVELOPER

🔗 Portfolio - https://portfolio-bdbc1.web.app

SKILLS

- HTML
- CSS
- JavaScript
- PHP
- MySQL

Hello, I'm Abdul Hannan Ahmed, a dedicated web developer with a strong background in front-end technologies, including HTML, CSS, and JavaScript. I also have extensive experience in PHP and MySQL, making me a well-rounded developer for both client-side and server-side development. My journey began with a 1-year diploma in System Management from Aptech Computer Education, and I furthered my educational background with intermediate studies in commerce.

EDUCATION

2022- 2023

Diploma in System Management:
- **Aptech Pakistan**

2021- 2023

Intermediate in Commerce:
- **Gov College For Men**
